

## PURE PERFORMANCE INTERIOR - WALLS

QUALITY RATING - 5

### DESCRIPTION

Taubmans Pure Performance Interior Walls is a 100% acrylic high performance water based paint formulated for all interior walls. The unique formula is low in VOC and odour for maximum indoor air quality. It is exclusively engineered with Microban® antibacterial protection which inhibits the growth of harmful bacteria, mould, mildew and fungus; enabling a cleaner, fresher and safer home environment.

Pure Performance Interior Walls is scuff resistant and highly washable. It has also been approved by the National Asthma Council Australia's Sensitive Choice® program, as it provides superior protection against mould and mildew and may help people with asthma and allergies.

### USES

Interior walls, particularly for protection against mould and mildew.

### FEATURES & BENEFITS

Low VOC<sup>+</sup> level. < 5g/L VOCs excluding tint. Suitable for Green Building Council projects\*
