

PURE PERFORMANCE INTERIOR - CEILING

QUALITY RATING - 5

DESCRIPTION

Taubmans Pure Performance Interior Ceiling is a 100% acrylic high performance water based paint formulated for ceilings. The unique formula is low in VOC and odour for maximum indoor air quality. It is exclusively engineered with Microban® antibacterial protection which inhibits the growth of harmful bacteria, mould, mildew and fungus; enabling a cleaner, fresher and safer home environment.

Pure Performance Interior Ceiling has excellent opacity and an ultra-flat finish. It has also been approved by the National Asthma Council Australia's Sensitive Choice® program, as it provides superior protection against mould and mildew and may help people with asthma and allergies.

USES

Interior ceilings, particularly for protection against mould and mildew.

FEATURES & BENEFITS

Low VOC[†] level. < 5g/L VOCs excluding tint. Suitable for Green Building Council projects*
