

# FIRST impressions

To create a focal point and give your home a strong presence, add a pop of colour to your front door. Your front door is the first point of contact you have

with your house and you use it every day. That's why it makes sense to have a **beautiful front door** that inspires you each time you open it.

PPG Industries Australia Pty Limited, 9 Birmingham Ave, Willawood NSW 2163, ABN 82 055 500 939. Taubmans® and We Protect and Beauty the World™ are registered trademarks of PPG Industries Australia Pty Limited. The PPG Logo is a registered trademark of PPG Industries Ohio, Inc. Colours shown are as close as possible to actual paint colours. Due to limitations of printing process, photographic and printing images may not represent the true colour. Images in this booklet are provided for inspirational purposes only and may have been recoloured to suit Taubmans' paint range. Please obtain a Taubmans Sample Pot for colour accuracy. www.taubmans.com.au

**Taubmans Paint Planner** does the thinking for you once you've chosen your colour. It will pull together a customised list of everything you need for your paint project.

**Try our Paint Visualiser** Upload a photo of your room, follow a few simple steps and see what colour looks like in your home.

**Colour Wall** Explore colour further with our large range of colours and colour schemes to help bring your project to life.

Check out the Taubmans website for the online tools to help with your project.

## Find your perfect COLOUR ONLINE

To help you start on your colour journey, why not purchase a **Taubmans Sample Pot** and explore the possibilities of colour in your home.

For amazing results on your doors and trims, we recommend **Taubmans Ultimate Enamel**. It's a water-based enamel that uses **Alkyd Technology**, providing the durability and performance of traditional oil-based enamels while being more environmentally friendly. The results are a quick-drying, **ultra-premium and highly professional finish** with less yellowing than traditional oil based enamels.
