# LET'S GO PAINT

Taubmans Endure has been engineered with Nanoguard® Technology for maximum stain resistance. It protects your walls inside and out, and comes with a lifetime guarantee\*.

## Let's Go Paint!

There's nothing quite like standing in a finished, newly painted room. Transformation complete. But we know that in order to get there, so much has to happen along the way. To help you start on your colour journey, why not purchase a **Taubmans Sample Pot** and explore the possibilities of colour in your home.

## Online Colour Tools

There are so many ways to make sure that the colour you're choosing is going to be perfect for your space. Check out the Taubmans website for online tools that will help you with your project.

### PAINT PLANNER

The Taubmans Paint Planner is designed to do the thinking for you. It will put together a customised list of everything you'll need for your paint project; from what materials to buy to how long it will take. You might be surprised at how quickly your room can be transformed!

### PAINT YOUR OWN ROOM

Choosing colour can be a daunting process, but Taubmans are here to bring out your inner-designer and help get your colour right the first time. The Paint Your Own Room Tool allows you to see what colours look like in your home, by uploading a photo of your room and following a few simple steps.

### COLOUR WALL

Keen to explore colour further? Our online colour wall allows you to view our large range of colours and create various colour schemes to help bring your project to life.
